

LILIES OF HEALTH AND BEAUTY.

In a recent interview and

"The fact that I believe in the superior
force of mind over matter does not blind
me to the truth that the foundation of every
successful life is good health: that the keystone to physical beauty is perfect physical
health.

stone to physical beauty is perfect physical health.

"A sick woman cannot be a beautiful woman, nor can she be anything but what we English call a poor spirited woman.

"To a great extent a woman's beauty is measured by her vitality—by her health.

"Work, Sunshine, Exertise, Water and Soap, Plain, Nourishing Food, Lots of Fresh Air, and a Happy, Contented Spirit—there, as you say, 'honest and true,' is my working tule for youth, youthful spirits and youthful looks."

One great secret.of youth and beauty for the young woman or the mother is the proper understanding of her womanly system and well being. Every woman, young or old, should know herself and her physical make-up. A good way to arrive at this knowledge is to get a good doctor book, such for instance as "The People's Common Sense Medical Adviser," by R V. Pierce, M. D., which can readily be procured by sending twenty-one cents in one-cent stamps for paper-bound volume, or thirty-one cents for cloth-bound copy, and addressing Dr. R. V. Pierce, Buffalo, N. Y. Chas, Boykin, of Acme, La. Concordia Parish, speaking of his wife's experience, says.

dressing Dr. R. V. Pierce, Builalo, N. Y.
Chas Boykin, of Acme. La. Concordia Parish,
speaking of his wife's experience, says:
"I write you thanking you for the benefit of
your wonderful "Favorite Prescription," and
also the "Golden Medical Discovery." I find
that your remedies have done more good than
all the others that I have used. I thought my
wife would die at times, now am able to say that
through you and your medicine we have a fine

from shore resorts east of the city and a freight train of the Pennsylvania railroad, Laura Scarborough, colored, was killed; Mrs. Sarah Cromwell, white, was so seriously injured that her death is momentarily expected, and a dozen or more were injured. The trolley, coming toward the city from Back River, was behind time and did not stop except to let off passengers. For that reason only about 40 persons were on board. At Highlandtoen an eastern suburb, there are many railroad tracks, protected by safety gates. Reaching one of these, the trolley stopped while a freight train passed. The gates were raised and the trolley proceeded slowly. Just as the forward part of the car was on the railroad tracks the freight backed unexpectedly. The trolley was knocked from the tracks and rolled over, the last car of the freight leaving its rear trucks and, mounting upon the trolley, crushed it like an egg shell. Plenty of ald was at hand, but it was impossible to release all those pinioned unbefore buying. Correspondence solicited der the wreck until jacks could be ob tained. While these were being sought those who could be reached were extricated, and 11 were placed upon a car and brought to the city hospital

> The seriously injured are: Mrs. Sarah Cromwell and her husband, Oliver Cromwell, both of whom are suffering from fractured pelvis; Mrs. WM. DU PONT, Mary Kirchenberg, Edward Ulrich, Francis S. Skirvan, Oliver Price, Mary Kasel, Thomas E. Masson, George Drescher, Charles Brebeck, Sarah Jones and George S. Mann. Mrs. Cromwell is dying, and her husband has a slight chance of recovering. A number of others were less seriously hurt.
